FCC ID: A3LEJ-BT230

To Whom It May Concern:

We would like to request the dismissal of the approved model FCC ID: A3LEJ-BT230 which was issued in April 2014 due to the reasons stated below.

1. Most of the RF parts were re-tested by modification of circuit structure.
2. This device (A3LEJ-BT230) has not been sold in any country yet, including USA.

For this reasons, we will propose the FCC Certification as a new application with the same FCC Identifier.

If you have any questions or comments concerning the above, Please contact the undersigned.

Sincerely Yours,
