SUBJECT : Label Statement
FCC ID : A3LEJPN960

To Whom It May Concern:

We hereby provide the following attestations according to 47 CFR 2.935 and FCC KDB 784748 D02:

This device operates in conjunction with a device that has an electric display and therefore qualifies for e-labing per 47 CFR 2.935 and FCC KDB 784748 D02. The product and associated device are capable of functioning locally and under control of the end-user, per FCC KDB 784748 D02.

At the time of purchase, the FCC ID is readily and physically visible to the purchaser on the exterior package per 2.935(d). The FCC ID will be readily legible without the aid of magnification according to 2.935(a). The literature in the package describes how to access the electronic display to find the FCC ID per 2.935(e) and FCC KDB 784748. The user will be able to access this information within a maximum of 3 steps. We, Samsung have programmed the e-label and it is not able to be modified by any third party. The user will be able to access this information without a SIM card, special accessories or supplemental plug-ins.

The FCC ID will be able to survive normal shipping and handling so it is visible for inspection at the time of import.

Should you have any questions or comments concerning the above, please contact the undersigned.
