Samsung and Samsung Galaxy are trademarks of Samsung Electronics Co., Ltd. Other company names and marks are the property of their respective owners.

- The images may vary depending on the model.
- Plug the product into a USB power adapter to supply power.
- Place the back of the mobile device with the magnetic case (sold separately) on the centre of the product to charge the battery.
- If you use the product with a mobile device that has a thick cover attached, the battery may not charge properly.
- Do not place conductive materials, such as metal objects or magnets, between the mobile device and the product.
- Because of the nature of its material, the product may rub off or change colour from processes such as friction with strong-colour objects in its usage environment.

- Your product contains magnets. Keep it away from credit cards, implanted medical devices, and other devices that may be affected by magnets. In the case of medical devices, keep your product more than 15 cm apart. Stop using your product if you suspect any interference with your medical device and consult your physician or your medical device manufacturer.
- Visit [www.samsung.com](http://www.samsung.com) to access the product information. This content may not be available depending on the region.
- Your consumer rights are governed by the law of the country in which you purchased the product. Please contact your service provider for more information.

Correct disposal

This marking on the product, accessories or literature and without the bar on batteries indicates that the product, battery and its electronic accessories (such as charger, headset, USB cable) should not be disposed of with other household waste.  
Samsung, PO Box 12987, Dublin. IE or Yateley, GU46 6GG. UK

Correct disposal (India Only)

This marking on the product, accessories or literature indicates that the product and its electronic accessories (such as charger, headset, and USB cable) should not be disposed of with other household waste at the end of their working life. To prevent possible harm to the environment or the human health from uncontrolled waste disposal, please separate these items from other types of waste and recycle them responsibly to promote the sustainable reuse of material resources.  
For more information on safe disposal and recycling visit our website. [www.samsung.com/in/support](http://www.samsung.com/in/support) or contact our Helpline numbers- 1800 40 7267864 (1800 40 SAMSUNG) 1800 5 7267864 (1800 5 SAMSUNG)  
This product is India RoHS compliant.

For information on Samsung's environmental commitments and product regulatory obligations, such as REACH, visit our sustainability page available at [www.samsung.com](http://www.samsung.com).

Declaration of Conformity

Samsung declares that this device complies with the essential requirements and relevant provisions of Directive 2014/53/EU. Go to [www.samsung.com/mobile\\_doc](http://www.samsung.com/mobile_doc) to access the Declaration of Conformity.

FCC Part 15.19

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Part 15.21

Any changes or modifications (including the antennas) to this device that are not expressly approved by the manufacturer may void the user's authority to operate the equipment.

FCC Part 2.1093 RF Radiation Exposure Statement

This equipment complies with FCC RF Radiation exposure limits set forth for an uncontrolled environment. This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

This equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body.

ISED Notice

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

ISED RF Radiation Exposure Statement

This equipment complies with Innovation, Science and Economic Development Canada RF Radiation exposure limits set forth for an uncontrolled environment. This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

This equipment should be installed and operated with a minimum distance of 10 cm between the radiator and your body.
