

The figure is a technical drawing of a Samsung mobile phone label. It includes a main label and a smaller version of the same label to the right. The main label is rectangular with a width of 36.0 and a height of 32.0. It features the Samsung logo, the text 'MOBILE PHONE', and the following information: MODEL : GT-S3600i, FCC ID : A3LGTS3600I, SSN : -S3600iGSMH, RATED : 3.7 V, 700 mA, MADE IN KOREA BY SAMSUNG, and a field for IMEI. The label also displays the Bluetooth logo and the CE mark with the number 0168. A dimension of 12.0 is shown for a portion of the height. A note '4-R1.0' indicates a fillet radius. A smaller version of the label is shown to the right, with the same information but a different layout. The drawing is set within a grid with columns 1-8 and rows A-L. A table at the top right contains the text 'Rev. No'.
