Request for Tech. Info.: 8/2/00

Dear Errol:

Transmitted herewith, on behalf of Samsung Electronics Co., Ltd. is an amendment provided in response to the request for technical information dated August 2, 2000.

1. Please find the attached letter from Samsung indicating the deletion of the necklace accessory, and the deletion of the necklace from the user's manual page.
2. As requested, we have attached the test plot indicating the peak SAR location for head exposure.
3. The attached RF exposure statement for body-worn operation with a 1.7 cm spacing requirement will be inserted in the FCC compliance section of the user's manual.

We trust this information is sufficient for the immediate grant of this application.
