SUBJECT: Label Statement.
FCC ID: **A3LSCHR830C**

To Whom It May Concern:

We hereby provide the label statement letter for the above-mentioned device by a new label statement policy instituted at the September 12, 2006, TCB-FCC Teleconference. The label statement is as follows:

The FCC ID label is located in the battery compartment. While the battery cover is installed when the unit is shipped from the factory, the battery is never installed prior to sale, so the user must remove the cover in order to install the battery and operate the device. At this time the FCC ID is readily visible to the user. The label is permanently attached by acrylic glue and not easily removed from the device.

This statement could not be included in the label. So we inform you of it through this letter. Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely Yours,
