Subject: Samsung Electronics Co., Ltd., FCC ID: A3LSCS-26UC, Assessment NO.: AN07T6745, Notice#1

Question #1: Test report – in pre-scan, please explain why 1xRRT RC3, SO33 mode was not investigated. Also it indicates:

Modulation Power	Channel	Measured Peak	Output
		dBm	
mW			
1xRRT RC1, SO1	Low	16.89	
49.54			
1xRRT RC2, SO2		16.83	
50.47			
1xRRT RC3, SO1		16.78	
52.12			
1xRRT RC4, SO3		16.77	
50.12			

Please double check if the conversion from dBm to mW is correct.

Question #2: Please submit Parts List. If necessary, please submit Request for Confidentiality letter.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
