Request for Dismissal

Dear Rich:

This is in response to our meeting today with Martin Perrine/FCC Lab, Randy Ortanez and Al Cirwithian of PCTEST regarding the above-referenced FCC ID.

This is to certify that Samsung has not produced or marketed the above-reference ID. This application was originally granted on April 16, 2004 and a pending sample request letter was issued on June 1, 2004. Due to our buyers requirements, we have changed components on the device and the power levels have changed from the original application. Accordingly, we respectfully request for dismissal of the referenced FCC ID.

If you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Wallace Oh".
