SAR Compliance Statement

GSM900/GSM1900 Dual Band Terminal Equipment, SGH-R225

To comply with FCC RF exposure requirements for body-worn operation of the *GSM900/GSM1900 Dual Band Terminal Equipment, SGH-R225*, *Samsung Electronics co., LTD* will add a caution statement in the user's manual that will say the following:

"To comply with FCC RF exposure requirements for body-worn operation, keep the cellular phone at least one centimeter (1 cm) away from bodily parts. In specific, when using the phone with the hands-free accessory avoid placing the phone in places that increase exposure to RF radiation (such as pockets)."
