Hi Steve,

The chip is capable of 802.11n.

But this model doesn't support 802.11n.

Best Regards,
Ducksu Kim.

Hi Mr. Kim,

Thank you for your documents.

Can you confirm if this application will include 802.11n? The WLAN operational description shows 802.11n capability but the general operational description doesn't specify. Please clarify it for us.

Best Regards,
Steve
