The image shows the back of a Samsung smartphone with the battery cover removed. The battery is a Samsung Li-Ion battery with a capacity of 3000mAh. The labels on the battery include the Samsung logo, model number SM-N9600, and various regulatory markings like CE, FCC, and RoHS. A date stamp '2019.06.02' and 'PA1B02MS' are visible on the battery. The battery is connected to the phone's internal components via a ribbon cable. The phone's internal components, including the camera module and other sensors, are visible on the right side of the phone.
