### **Service locations**

Find a service location near you at [Samsung.com/us/support/service/locations](https://Samsung.com/us/support/service/locations)

## Flight mode

This disables all wireless functions on your device. You can use only non-network services. On the setting screen, tap **Flight mode**.

**NOTE:** The use of Head Mounted Devices on an aircraft or a ship may be subject to federal and local guidelines and restrictions. Check with appropriate author and always follow crew instructions regarding when and how you may use your device.

**Users used by FCC-certified countries in the 5.925~7.125GHz must comply with the following:**

- The operation of this device is prohibited on oil platforms and aircraft, except that operation of this device in 5.925~6.425 GHz is permitted in large aircraft while flying above 10,000feet.
- Installation on outdoor fixed infrastructure is prohibited.
- Controlling or communications with unmmanned aircraft systems, including drones, is prohibited.

# Important legal information

Arbitration Agreement - This Product is subject to a binding arbitration agreement between you and SAMSUNG ELECTRONICS AMERICA, INC. ("Samsung"). You can opt out of the agreement within 30 calendar days of the first consumer purchase by emailing [optout@sea.samsung.com](mailto:optout@sea.samsung.com) or calling 1-800-SAMSUNG (726-7864) and providing the applicable information.

The full Arbitration Agreement, Standard One-year Limited Warranty, End User License Agreement (EULA), and Health & Safety Information for your device are available online:

- English: [www.samsung.com/us/Legal/](http://www.samsung.com/us/Legal/)
- Spanish: [www.samsung.com/us/Legal/](http://www.samsung.com/us/Legal/)

This information can also be found on the device in the "About headset" section, for example:

- Settings > About headset > Status information > FCC Certification

If your device required Federal Communications Commission (FCC) approval, you can view the FCC certification by opening Settings > About device or About headset > Status Information

## Health and Safety

**WARNING!** To avoid electric shock and damage to your device, do not charge device while it is wet or in an area where it could get wet. Do not handle device, charger or cords with wet hands while charging.

The device does not guarantee waterproof and dustproof.

## **Samsung Knox**

Samsung Knox is Samsung's security platform. Additional licensing fees may be required for enterprise use. For more information about Knox, please refer to: [www.samsung.com/us/knox](http://www.samsung.com/us/knox)

## **Specific Absorption Rate (SAR) certification information**

For information about SAR, visit :

- <https://www.fcc.gov/general/radio-frequency-safety-0>
- [www.fcc.gov/encyclopedia/  
specific-absorption-rate-sar-cellular-telephones](http://www.fcc.gov/encyclopedia/specific-absorption-rate-sar-cellular-telephones)
- [www.samsung.com/sar](http://www.samsung.com/sar)

**Note:** Foldable devices can be stored in an environment with ambient temperatures of -10°C / 14.0°F to 50°C / 122°F safely; prolonged exposure to temperatures outside these recommended temperatures can pose a high risk of damage to the device.

## Samsung mobile products and recycling

**WARNING!** Never dispose of batteries in a fire because they may explode. Do not disassemble, crush, puncture, heat, burn or reuse.

For battery and cell phone recycling, go to [call2recycle.org](http://call2recycle.org) or call 1-800-822-8837.

For more recycling information, go to our website: [www.samsung.com/recycling](http://www.samsung.com/recycling) or call 1-800-SAMSUNG.

## FCC Part 15 Information and Notices

. **Note:** Any device that uses Bluetooth or Wi-Fi is subject to FCC Part 15. Any device with a power supply is subject to Part 15 which also covers both intentional radiators (Bluetooth and Wi-Fi) and unintentional radiators (such as emissions from power supplies and circuit boards).

Pursuant to part 15.21 of the FCC Rules, you are cautioned that changes or modifications not expressly approved by Samsung

could void your authority to operate the device. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

. **Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device may cause TV or radio interference if used in close proximity to receiving equipment. The FCC can require you to stop using the mobile device if such interference cannot be eliminated.

## **Device temperature**

Caution! Some applications or prolonged usage may increase device temperature.

If the device feels hot to the touch, discontinue use and close all applications or turn off the device until it cools.

Always ensure that the device has adequate ventilation and air flow. Covering the device can trap any dissipating heat and redirect it back to the device while it is active.
