

Label and Location

Model:	SM-S978L
FCC ID:	A3LSMS978L

Label:

Location:

Device : FCC ID is printed on bottom of the device

While the rearcase is installed when the unit is shipped from the factory, the battery is already installed prior to sale, so the user don't have to remove the cover in order to install the battery.

At this time the FCC ID is readily visible to the user. The label is permanently written by laser."
