Request for Tech. Info.: 5/1/02

Dear Martin:

Transmitted herewith, on behalf of **Samsung Electronics Co., Ltd.** is an amendment provided in response to the request for technical information dated May 1, 2002.

1. Please find attached the revised TCB grant.
2. The request for confidentiality of PCTEST SAR Operational Description is currently under review by OET front office. Please note that the SAR report was not filed confidential.
3. Please find attached the revised necessary bandwidth calculation for the AMPS mode.
4. Please find attached data plot showing compliance with CFR 47 sec 22.917 (f) while in the 800 MHz CDMA Mode.
5. Please find attached the additional SAR test plots in the CDMA Cheek configuration. The measurement for each mode's worst-case position was repeated with the extended battery, and was found to have a lower SAR value.

We trust this information is sufficient to resolve FCC questions in this application. If you have any further questions, please do not hesitate to contact us.
