

Solder Board-Component View 6	 A photograph of a small, rectangular black printed circuit board (PCB) with various electronic components. The board is positioned next to a black ruler with white markings, showing dimensions in millimeters. The components include a central microcontroller, several resistors, capacitors, and a small connector. The board is mounted on a blue surface.
Solder Board-Component View 7	 A photograph of a blue rectangular battery pack. A white label is affixed to the front, providing technical specifications and safety warnings. The label includes the title 'Rechargeable Lithium-ion Battery Pack', model number, voltage, capacity, and manufacturer information. It also features several safety icons: a flame (no fire), a recycling symbol, and a crossed-out trash can (no disposal in fire). The battery pack is shown against a blue background.
