

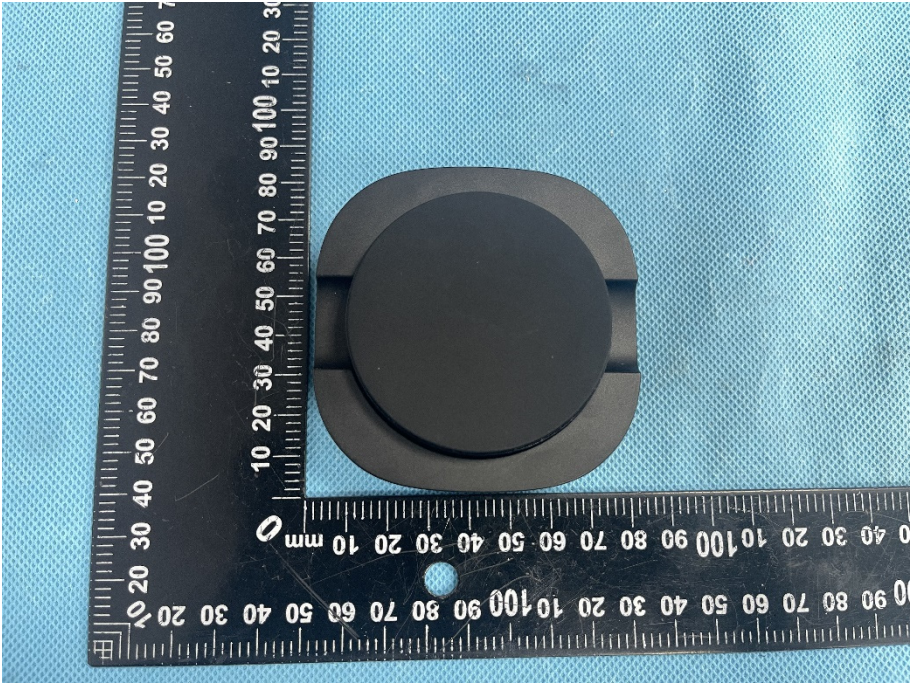

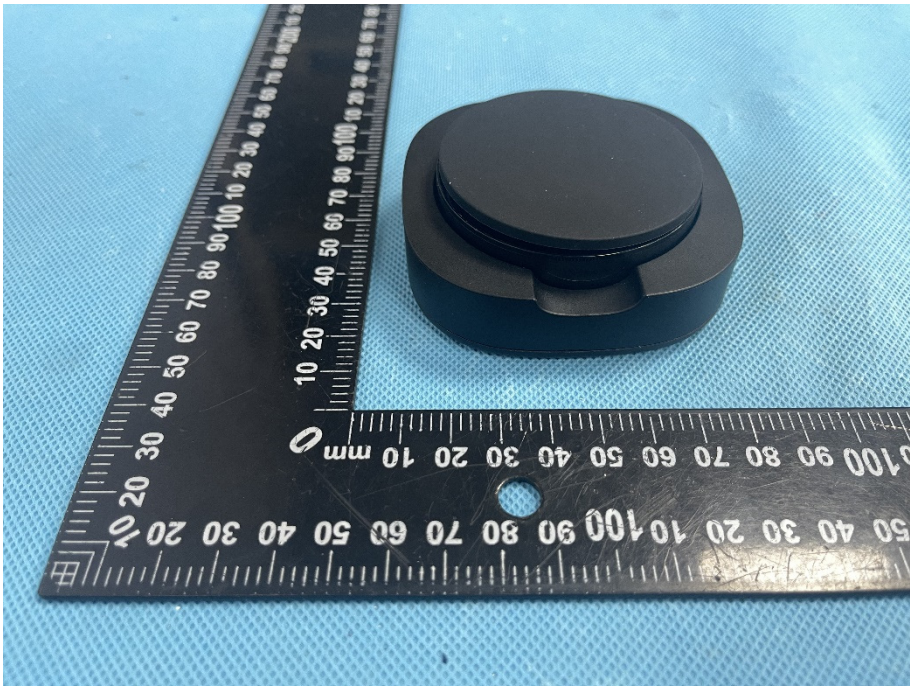

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black, circular electronic component (EUT) is shown from a top-down perspective. It has a smooth, matte finish and a central circular feature. The component is placed on a light blue textured surface next to a black L-shaped ruler. The ruler has white markings in centimeters and millimeters, providing a scale for the component's size.
EUT View 2	 A black, rectangular electronic component (EUT) is shown from a top-down perspective. It has a smooth, matte finish and four silver solder pads arranged in a square pattern. A central grid-like feature is visible on the component. The component is placed on a light blue textured surface next to a black L-shaped ruler. The ruler has white markings in centimeters and millimeters, providing a scale for the component's size.
