

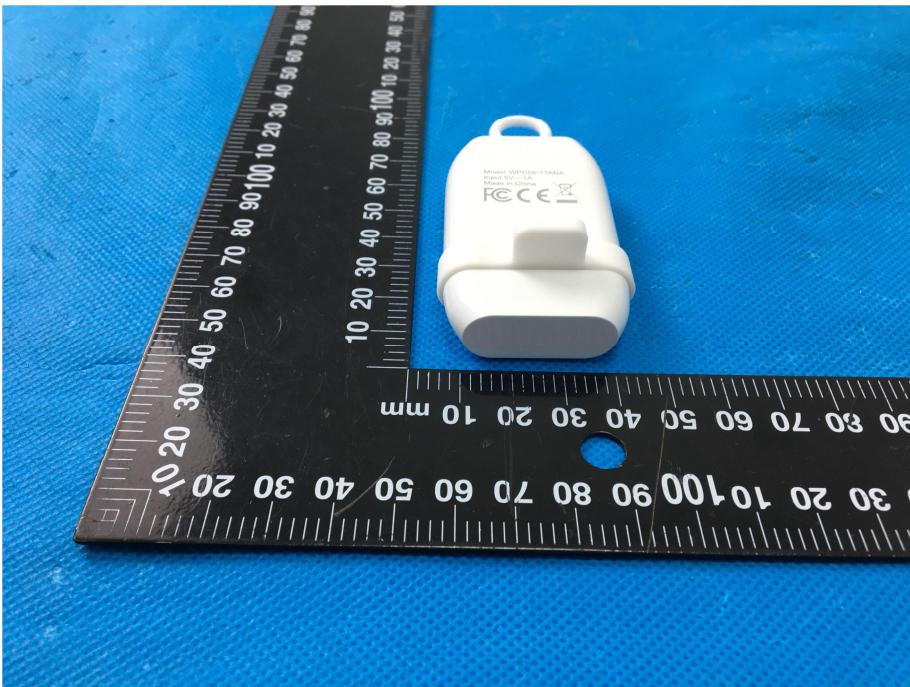

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

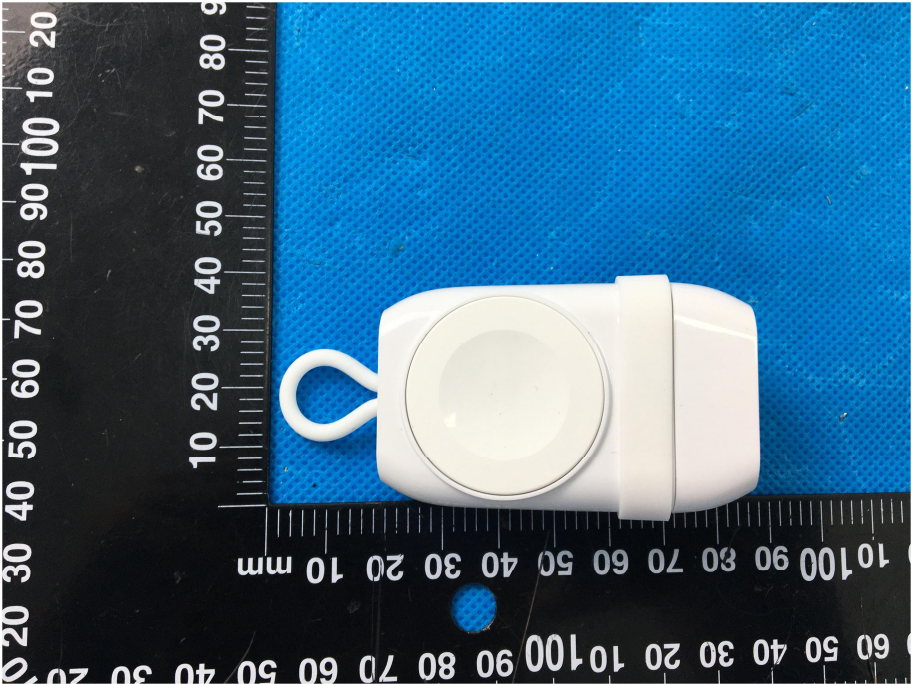

EUT View 1	
EUT View 2	

EUT View 3

EUT View 4

EUT View 5	 A photograph of a small, white, rectangular electronic device with rounded corners. It has a small, white, ring-shaped protrusion at the bottom and a small, white, rectangular protrusion at the top. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters. The device is positioned vertically, with the ring at the bottom and the protrusion at the top. The ruler is placed horizontally, with the markings facing the device.
EUT View 6	 A photograph of the same white electronic device from a different angle. It shows a circular face on the front and a white ring at the bottom. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters. The device is positioned vertically, with the ring at the bottom and the circular face at the top. The ruler is placed horizontally, with the markings facing the device.
