EUT View 2	

EUT View 3	 A photograph showing a white, circular, flat electronic unit (EUT) connected to a white cable. The cable is coiled and ends in a USB-A connector. A black ruler with white markings is placed horizontally below the device and cable for scale. The background is a blue textured surface.
	 A close-up photograph of the white USB-A connector at the end of the cable. The connector is shown from a side-on perspective, revealing the internal metal contacts. The background is the same blue textured surface.

EUT View 4	 A photograph showing a white, circular electronic unit (EUT) with a coiled white cable attached. The unit is positioned on a blue textured surface. A black ruler with white markings is placed horizontally below the unit, and another ruler is visible vertically on the left side of the frame.
EUT View 5	 A photograph showing the same white, circular electronic unit and coiled cable from a side-on perspective. The unit is on a blue textured surface. A black ruler with white markings is placed horizontally below the unit, and another ruler is visible vertically on the left side of the frame.
