Whirlpool Users' Manual Statements

The Whirlpool Module, Model XPNFC will not be sold as a stand-alone device but will be installed into various Whirlpool products (only). A manual is not provided for the module, but the hosts' users' manuals will include the FCC & IC compliance statements exactly as written:

This device complies with Part 15 of the FCC Rules and with Industry Canada licence-exempt RSS standard(s)". Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

"Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

Changes or modifications not expressly approved by Whirlpool Corporation could void the user's authority to operate the equipment.

Please note that the labels for the "host" products will include the FCC and Industry Canada ID numbers for the module within preceded by "Contains":

Contains FCC ID: A5UXPNFC
IC: 10248A-XPNFC

Sincerely,

A handwritten signature in cursive script that reads "Ray Russell".

Ray Russell
Engineering Manager
