Product Equality Declaration

We, MUNIC, declare for the product **C4MAX-4MUSAA_V8** that we accept the components' alternatives mentioned below and that they were tested for FCC compliance:

1. Product Information.

Model: C4MAX-4MUSAA_V8
FCCID: A6GC4MAX-4MUSAAV8
Hardware version: HC4MAX-4MUSAA_V8.01

2. Component Information.

Component 1: Cellular module shield

Alternative 1:

Manufacturer: Quectel
Manufacturer part number: BG96MUA-256-SGNS
Description: LTE Cat M1 & Cat NB1 & EGPRS Module

Alternative 2:

Manufacturer: Quectel
Manufacturer part number: BG96MUA-256-SGNS
Description: LTE Cat M1 & Cat NB1 & EGPRS Module

Difference description: Modules are the same part with different shield frames (per PCN n°2021020706 provided by the module manufacturer: Quectel). For more details, please refer to the below figures.

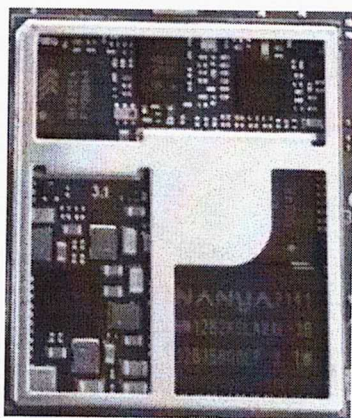

Figure 1: Module shield alternative 1

100 Avenue de Stalingrad 94800 Villejuif – France

Component 2: Battery

Alternative 1:

Manufacturer: Akkutronics

Manufacturer part number: 711260-PTLC

Description: Battery Li-ion Polymer 3.7V 450mAh -20/+70°C

Testing standard: IEC 621332:2017

Alternative 2:

Manufacturer: Howell Energy

Manufacturer part number: HWE711260H

Description: Battery Li-ion Polymer 3.7V 450mAh -20/+70°C

Testing standard: IEC 621332:2017

Should you have any questions or comments regarding this matter, please have my best attention.

Best Regards,
