LIMITATION OF LIABILITY – The supplied materials should be thoroughly inspected immediately upon receipt by the recipient for all content, placement and copy accuracy. It is also the responsibility of the recipient printer to examine and proofread all supplied materials before producing image carriers and printing final product. Should the supplied materials be found to be incorrect please contact an SGS representative immediately. The liability of SGS shall be limited to correcting its own product. SGS will not be responsible for any loss or damage including but not limited to the cost of product, print, image carriers, press delays, or other ancillary cost.
UPC NOTE – Because of the differences in scanning equipment, SGS cannot guarantee the scannability of UPC barcodes. The Uniform Code Council recommends a UPC symbol be printed black on white at 100% with no truncation. All UPC codes are test scanned and verified before leaving our facility.
