RE: Short Term Confidentiality Request for [SolidRF SOHO Tri Bands Booster/ Model: SR13652001/ FCC ID: A7V- SR13652001]

To Whom It May Concern:

In accordance with sections 0.457 and 0.459 of CFR 47, Shenzhen SolidRF Communication Co., LTD. requests short-term Confidentiality of following sections of this application for a period of 45 days after grant is issued.

1. Test setup photos
2. External photos
3. Internal photos
4. User's manual

These documents contain detailed system and equipment descriptions and related information about the product, which manufacturer/applicant considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, manufacturer/applicant feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Grantee will not market or distribute product during the period requested. Once product is available for marketing, Grantee will notify FCC or TCB.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ning Zhang'.
