How to connect in Bluetooth?

1. Power on the speaker.
2. In the phone's Settings, please turn on the Bluetooth.
3. Search and connect with the 'Divoom Beetles'.
4. Start to play your music.

*If the indicator light is not flashing, the speaker is already paired with another mobile.

*If the indicator light is not showing the blue color, press the power button to switch mode.

How to setup TF card audio?

1. Power on the speaker, and insert the TF card into the side card slot.
2. The audio should start to play automatically.
3. Rotate volume knob to adjust volume. Use the skip/previous buttons to change song, or hold them to change folders.

*If the indicator light is not showing the white color, press the power button to switch mode.

How to setup FM radio?

- 1.Power on the speaker
- 2.Press power button to change to FM radio mode (green light)
- 3.Rotate the radio knob to adjust the radio bands
- 4.Rotate volume knob to adjust, or press play button to mute.

*While the speaker is in radio mode, the green light will stay solid once you tune to a radio station with a stable signal.

*Insert a un-connected charging cable to boost signal strength.

How to insert the speaker strap?

- 1.Insert the thin end strap head into the slot.
- 2.Pull the thin end strap from the other slot.
- 3.Insert the thick end strap into the thin end strap, then pull and tighten the strap.

*To detach, please reverse the above steps.

How to make call with hands-free mode?

1. Press the play button to pick up an incoming call, and press the button again to end call.
2. Hold the button knob to reject the incoming call.

How to charge the speaker?

1. Insert the USB cable into the USB port. You can continue to listen music while charging.
2. The charging time may vary by the type of USB charger. We recommend to use an 1.0A charger.
