## In reference to FCC ID A92RFM003B

### Justification for Part 15 Unlicensed Modular Transmitter Approval according to DA 00-1407

1. Own RF Shielding  
Complied, see EUT internal Photographs. Shielding plates are attached on top and bottom of RF board.
2. Buffered Modulation inputs  
Complied, see schematic diagrams
3. Own power supply regulation  
Complied, voltage regulated power supply on board, see schematic diagram
4. Antenna requirements  
Complied, fix connection employed (screw terminals)
5. Test in stand-alone configuration  
Complied, see test report for details. No ferrites have been used during testing, cable lengths typical to actual use.
6. Own FCC ID  
Complied, the exterior label will be „**Contains FCC ID A92S6500**“
7. Not applicable, the unit operates under 15.209
8. RF Exposure requirements  
Not applicable since the unit operates under section 15.209 of the FCC Rules, section 5 of the reference guide contains general installation and operation instructions.
