SUBJECT: FAMILY MODELS

Applicant: Casio Communications, Inc.
Original Model Number: CP-2575
Modified Model Number: CP-2070

This is to declare that model CP-2070 is a degraded version of model CP-2570. The differences are that CP-2575 has:

1. Low Cost Routing feature
2. Data Port (additional RJ-11 port)
3. no Handset-in-Use base LED

Sincerely,

Casio Communications, Inc.
