Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, Hitachi Ltd. hereby requests confidentiality of Technical Specifications, Block Diagrams, Circuit Diagrams, Circuit Description, Antenna Specifications, Parts List, Tune-up Procedure, and Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Hitachi Ltd. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Hitachi Ltd. considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Masahito Fukushima
