

CONFIDENTIALITY REQUEST

6/4/21

Dear Sir / Madam,

Pursuant to FCC 47 CFR Section 0.457(d), 0.459, Section 552(b)(4) of the Freedom of Information Act, the applicant requests that a part of the subject FCC application be held confidential.

Type of Confidentiality Requested	Exhibits
☐ Short Term ☒ Permanent	Part List, Block Diagrams & Circuit Descriptions (Exhibit B)
☐ Short Term ☒ Permanent	Schematics (Exhibit C)

Motorola Solutions has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to 'competition' would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Permanent Confidentiality:

The applicant requests the exhibits listed above as permanently confidential be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

Please contact me if you require any additional information.

Sincerely,

Bob Sarocka
Engineering Manager
