Request for Confidentiality

To Whom It May Concern:

In accordance with 0.459 of CFR 47, Motorola, Inc. hereby requests confidentiality of the Block Diagrams, Circuit Diagrams, Circuit Description, Parts List, Tune-up Procedure, and Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which Motorola, Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public.
