Re: Original Certification for VP4 Refresh Radio with BT, Navigation and Integrated Display
FCC ID: ACJ-CA-170-CTPLHS

To Whom It May Concern:

In accordance with provisions of Sections 0.457 and 0.459 of the Commission's Rules and Section 552(b)(4) of the Freedom of Information Act, we request permanent confidentiality for the below indicated exhibits. These exhibits contain proprietary, confidential and/or trade secret materials, which would not be routinely made available for public inspection.

- Schematic Diagram
- Block Diagram
- Operational Description
- Parts List & Placement/BOM
- Tune-Up Procedure

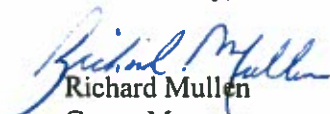

In accordance with FCC Public DA 04-1705, we request 45 day short-term confidentiality¹ starting from the issuance of equipment authorization date, for the below indicated exhibit. This exhibit contains pre-market information, which could give our competitors unfair advantage should this information be released before this product is actually introduced into the common marketplace.

- External Photos
- Internal Photos
- Test Set-Up Photos
- User Manual

We are also aware that we are responsible to notify AT4 wireless in the event information regarding the product or the product is made available to the public. AT4 wireless will then release the documents listed above for public disclosure pursuant to FCC Public Notice DA 04-1705.

Thank you for your attention to this matter.

Authorized by,

Richard Mullen
Group Manager
Panasonic Corporation of North America
Product Safety & Compliance Department

¹ Public Notice DA 04-1705 does not allow initial requesting of short-term confidentiality of 180 days and instead, after the first 45 days must request for additional days as needed.
