Re: Class II Permissive Change Application for Panasonic DECT Wireless Repeater under
FCC ID: ACJ96NKX-HNZ108

To whom it may concern:

In accordance with provisions of Sections §§0.457(d) and 0.459 of the Commission's Rules and Section 552(b)(4) of the Freedom of Information Act, we request permanent confidentiality for exhibits, which contain:

- (1) Antenna Construction;
- (2) Description of Electrical Circuitry;
- (3) Schematic Diagrams of Base Unit and RF Unit; and
- (4) Base Unit Block Diagram.

The transmitter is not user adjustable and does not have a Tune-Up Procedure. These exhibits contain proprietary, confidential and trade secrets material, which would not be routinely made available for public inspection.

In accordance with FCC Public DA 04-1705, we request forty-five day short-term confidentiality, starting from the from the issuance of equipment authorization date, for exhibits, which contain:

- (1) External Photographs of Base Unit and RF Unit;
- (2) Internal Photographs of Base Unit and RF Unit;
- (3) Test Setup Photographs; and
- (4) User Manual.

These exhibits contain pre-market information, which could give our competitors unfair advantage should this information be released before this product is actually introduced into the common marketplace.

Sincerely,

Ben Botros
Project Manager
