Subject:	Original Application for Frequency Hopping Spread Spectrum Cordless Telephone System / Panasonic 2.4 GHz Cordless Telephone System

Dear Mr. Leimer:

This is in response to your correspondence Reference Number 23395 received on July 19, 2002 regarding our request for confidentiality.

Please be advised our filed Exhibit I for Operational Description contained confidential explanation for frequency hopping algorithm for pseudorandom hopping frequencies and other confidential details. This entire Exhibit I contain privileged and confidential materials, which is not routinely available for public inspection. Pursuant to 47 CFR Section 0.459, we request this entire Exhibit I be treated as confidential and withheld from public inspection.

We will mail Mellow Bank another FCC Form 159 and declare confidential payment code EBC and include fee check in the amount of $145. This is in additional to already mailed FCC Form 159, which declared basic payment code EGC and included fee check in the amount of $985.

Should you have any questions, please contact the undersigned. Thank you for your attention in this matter.

Sincerely yours,

Richard Mullen
