Re: Original FCC Certification Application for DECT 6.0 Cordless Telephone Handset Station for
SIP Server or PBX under FCC ID: ACJ96NKX-TPA60

Attn: Director of Certification

On our behalf, I appoint Nemko A/S, Instituttveien 6, N-2007 Kjeller, Norway, to act as our agent in the preparation of this application for equipment certification. I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in the Federal Communications Commission's regulations will have affixed to it a label identical to that submitted for approval with this application.

For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the terms and conditions for certification, as specified by Nemko Canada Inc., still resides with Panasonic Corporation of North America.

Any and all acts carried out by Nemko on our behalf shall have the same effects as acts of our own for a period of one year from the date of this letter.

Please advise the undersigned if you have any questions or comments. Thank you for your attention and cooperation in this matter.

Sincerely yours,

Richard Mullen

Re: Original FCC Certification Application for DECT 6.0 Cordless Telephone Handset Station for SIP Server or PBX under FCC ID: ACJ96NKX-TPA60

To whom it may concern;

In accordance with provisions of Sections 0.457 and 0.459 of the Commission's Rules and Section 552(b)(4) of the Freedom of Information Act, we request permanent confidentiality for the below exhibits. The transmitter is not user adjustable and does not have a provided Tune-Up Procedure. The below exhibits contain proprietary, confidential and trade secrets material, which would not be routinely made available for public inspection.

- Schematic Diagrams of Handset Unit and RF Unit
- Block Diagrams of Handset Unit and RF Unit
- Description of Electrical Circuitry
- Antenna Construction

In accordance with FCC Public DA 04-1705, we request forty-five day short-term confidentiality, starting from the issuance of equipment authorization date, for the below exhibits. These exhibits contain pre-market information, which could give our competitors unfair advantage should this information be released before this product is actually introduced into the common marketplace.

- External Photographs of Handset Unit and RF Unit
- Internal Photographs of Handset Unit and RF Unit
- Test Setup Photographs
- User Manual

Please advise the undersigned if you have any questions or comments. Thank you for your attention and cooperation in this matter.

Sincerely yours,

Richard Mullen
