This is in response to your April 20, 2004 request for drawing or photograph of the identification label. This label and photograph of location was already filed under 731 Confirm Number EA581666 for the associated WLAN and BT within the end product Computer CF-18.

I understand from your request that this type exhibit should also be filed for all associated 731 Confirm Numbers. As such, today I uploaded this same identification label and photograph of location into file for 731 Confirm Number EA468686.

Please advise if you have any further questions or comments. Thank you for your co-operation in this matter.

Sincerely yours,

Richard Mullen
