Re: Original Application for RFID Limited Modular Approval  
Panasonic RFID Module, Model RI14C under FCC ID: ACJ9TGRI14C

To whom it may concern:

The undersigned, hereby authorize UL Verification Services Inc. ("ULVS") to act on our behalf in all manners relating to application for equipment authorization, including signing of all documents relating to these matters. Any and all acts carried out by UL VS on our behalf shall have the same effect as acts of our own.

The undersigned, hereby certify that we are not subject to a denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

This authorization for FCC ID: ACJ9TGRI14C is valid for one year period from the date of this letter. Also, this application for the subject equipment has not been submitted to another TCB for certification.

In authorizing UL VS as our agent, we still recognize that we are responsible to:

- a) Comply with the relevant provisions of the certification program;
- b) Make all necessary arrangements for the conduct of the evaluation, including provision for examining documentation and access to all areas, records (including internal audit reports) and personnel for the purposes of evaluation (e.g. testing, inspection, assessment, surveillance, reassessment) and resolution of complaints;
- c) Make claims regarding certification only in respect of the scope for which certification has been granted;
- d) Do not use our product certification in such a manner as to bring the Certification Division into disrepute and not make any statement regarding our product certification which the Certification Division may consider misleading or unauthorized;
- e) Upon suspension or cancellation of certification, discontinue use of all advertising matter that contains any reference thereto and return any certification documents as required by the Certification Division;
- f) Use certification only to indicate the products are certified as being in conformity with specified standards;
- g) Endeavor to ensure that no certificate or report nor any part thereof is used in a misleading manner;
- h) Ensure that any reference to our product certification in communication media such as documents, brochures or advertising, complies with the requirements of the Certification Division;

- 
- i) Keep a record of all complaints made known to the us relating to the product's compliance with requirements of the relevant standard and to make these records available to the Certification Division when requested;
  - j) Take appropriate action with respect to such complaints and any deficiencies found in products or services that affect compliance with the requirements for certification;
  - k) Document the actions taken.

Sincerely yours,

To whom it may concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as **permanent** confidential document from public disclosure.

- Theory of Operation
- Block diagram
- Schematics

Above mentioned document contains detailed system and equipment description are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

In addition, please be advised that Panasonic Corporation of North America hereby requests the following filed sensitive information to be held under **short-term** confidential, pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's Rules and the provisions in FCC Public DA 04-1705. We request temporarily confidentiality of forty-five days, starting from the original issued Certification grant date.

- Operating Instructions (Users Manual)
- Test Setup Photographs
- External and Internal Photographs

Panasonic also acknowledges that we will provide appropriate notice to ULVS should either of the following occur.

- If we require additional 45 day extension period, we will notify ULVS with a new request letter at least seven days prior to the short-term confidentiality expiration date [Note: up to a maximum of 3 extensions only allowed], or
- We will immediately notify ULVS in the event the information regarding the product or the product is made available to the public. ULVS will then release the documents listed above for public disclosure, pursuant to FCC Public Notice DA 04-1705.

Thank you for your attention to this matter.

Sincerely yours,

Richard Mullen
