Re: Original Application for Panasonic System Approval
Panasonic Toughpad Model FZ-E1 with FCC ID: ACJFZE1B

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential document from public disclosure indefinitely.

- Schematic Diagram
- Block Diagram
- Theory of Operation (Operational Description)
- Tune-up Procedure
- Parts List (BOM)

Above mentioned document contains detailed system and equipment description are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

In addition, please be advised that Panasonic Corporation of North America hereby requests the following filed sensitive information to be held under short-term confidential, pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's Rules and the provisions in FCC Public DA 04-1705. We request temporarily confidentiality of forty-five days, starting from the original issued Certification grant date.

- Operating Instructions (Users Manual)
- Test Setup Photographs
- External & Internal Photographs

PSCD-14-F002

Panasonic also acknowledges that we will provide appropriate notice to PCTEST Engineering Laboratory Inc should either of the following occur:

- If we require additional 45 day extension period, we will notify PCTEST Engineering Laboratory Inc with a new request letter at least seven days prior to the short-term confidentiality expiration date [Note: up to a maximum of 3 extensions only are allowed], or
- We will immediately notify PCTEST Engineering Laboratory Inc in the event the information regarding the product or the product is made available to the public. PCTEST Engineering Laboratory Inc will then release the documents listed above for public disclosure, pursuant to FCC Public Notice DA 04-1705.

Sincerely yours,

Ben Botros
