

ATTESTATION

January 3rd, 2020

Jennifer Sanchez
ACB, Inc.

We, ARRIS, attest that the product picked for post market surveillance under the [FCC ID: ACQ-VMS4100](#) is not a valid choice as it was superseded by a new product under the [FCC ID: ACQ-VMS4100V1](#) registered with a different certified body.

The original product under [FCC ID: ACQ-VMS4100](#) was never shipped or deployed to end users and as such would not be a valid choice for this testing. We request that ACB, Inc. act to deregister this grant on our behalf.

For purposes of the post market surveillance audit we request that the following product be picked as it represents an active product with similar capabilities:
[FCC ID: ACQ-SPECTRUM210](#)
