

FCC ID and Part.15 Labels

FCC ID Label

FCC Part 15 Label

FCC ID Label Location

Part 15 seal is attached here.

The image shows the back of a black electronic device. A red box highlights a small white label in the bottom right corner, with a red arrow pointing to it from the text 'Part 15 seal is attached here.' The label contains regulatory information, including 'FEDERAL COMMUNICATIONS COMMISSION' and 'Part 15 of the FCC Rules'.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
