Dear Mr. Leimer:

We have reviewed the request from Rockwell Collins, Inc. for Type Acceptance Certification of the Rockwell Collins SRT-2100 Satellite Receiver/Transmitter. The technical data for this equipment is consistent with the spectrum requirements of RTCA Document No. RTCA/DO-210D. We have no objection to the certification of this device.

If you require any additional information, please contact Mr. Michael Biggs, Senior Engineer, Spectrum Planning and International Division, at (202) 267-8241.

Sincerely,

Donald K. Willis
