Charging the device and stylus

1. Turn on the computer.
2. Connect the supplied USB cable to the micro USB connector of the device and USB connector of the computer.
3. Do not disconnect the USB cable until the icon is displayed on the computer screen.

Parts and controls

Digital Paper device

- Micro USB connector
- ( ) button
- Charge indicator
- Part for holding to the device
- Highlight button
- Easier button

Stylus

- Micro USB connector
- Strip hole
- Charge indicator
- ( ) button
- Part for holding to the device
- Highlight button
- Easier button

Troubleshooting

The following information will help you remedy problems if you cannot operate the device.

1. Change the device and the stylus.
2. Reset the device.
3. Press the ( ) button with a plastic toothpick, clip, etc. Press the ( ) button to reset the device.

How to use the system and the support site

For more detailed information on using the Digital Paper system, see http://www.sony.com/digitalsupport

Replacing the stylus tip

The stylus tip may wear out through use. It is recommended to replace the tip when it becomes shorter than 1.5 mm (1/16 in). Replacement tips and a tip puller are supplied with the device.

1. Pinch the tip with the supplied tip puller, then pull it out straight.
2. Check the orientation of the replacement tip, pinch it with the tip puller, then push it into the stylus.

Precautions

Safety

Handling the device

- If the device causes interference to radio or television reception, turn the device off and move it away from the radio or television.
- Refrain from using the device in an aircraft according to the in-flight announcements.
- When you put the device into a bag, make sure no metal objects with sharp ends come into direct contact with the device.

Specifications

**Model**
DPT-RP1

**Basic Information**

- **Display**
  - 1080p (1920 x 1200 pixels) di-electrical electrophoretic display
  - 16:10 aspect ratio
  - 1850 cd/m² luminance

- **Touchscreen**
  - Proprietary capacitive touchscreen capable of pen input

- **Internal Memory/External**
  - 16 GB/Approx. 11 GB

- **Battery**
  - Built-in rechargeable battery
  - Rating/Capacity: 3.7 V / 3,200 mAh

- **Dimensions/Mass**
  - Dimensions (with/battery): 226 mm x 152 mm x 8.8 mm (9 in x 6 in x 0.35 in)
  - Mass including (battery): Approx. 349 g (12.3 oz)

- **Stylus**
  - Built-in rechargeable battery
  - Rating/Capacity: 3.7 V / 3,200 mAh

- **Environment**
  - Temperature: 0°C to 35°C (32°F to 95°F)
  - Humidity: 5% to 90% RH (non-condensing)
