Request of Modular Transmitter Approval for FCC ID: AK8PCWAC700 – Supplementary

We attest that this device will be installed only into the desktop PC and Notebook PC with side mounted PCMCIA slots similar to the laptops that were used for SAR testing. (Please refer to the FCC RF Exposure in the users manual and SAR test report.) It will be not sold for the PDA.

The full compliance of the end products is always ensured because this device is in conformity with the requirements of the modular approval as specified in the FCC Public Notice DA 00-1407 "Part 15 Unlicensed Modular Transmitter Approval." (Please see separate Modular approval letter.)

A handwritten signature in black ink, appearing to read "For / Masaharu", is written over a horizontal line.
