

Request for Dismissal, explanation

To: FCC EASADMIN

Date: 12 February 2007

References:

- FCC ID: AL6-E220, confirmation number TC677760

To whom it may concern,

I have uploaded a complete application under the above FCC ID. However, the FCC ID should have been **AL8-E220** (thus a typing error in the Grantee Code).

Please delete this package with FCC ID: **AL6-E220** completely.

In the mean time application has been filed under the correct FCC ID too.

Kind regards,

Bert Vos
