

Model Difference Declaration letter

FCC ID: AL8-PBF420

Model No.: PBF420, PBF410

Model Difference: PBF420 is binaural headset and PBF410 is monaural headset with one side is T-pad where no speaker is installed inside. The major differences are in the quantity of acoustic components such as speaker and microphone, the different placement of couple of components in acoustic output circuits because of monaural /binaural acoustic channel. Other than above, the rest are identical.

A blue ink signature of Ismael Talancon Lara, written in a cursive style.
