

PALM ULTRALIGHT WIRELESS HEADSET
“BALI” REGULATORY MARK LAYOUT
FCC, IC, and CE marks only
5mm CE mark

Last updated by Miles Brown
Version 004
February 3, 2006

NOTE:
3265xx is the generic representation of the headset SKU. 'xx' would be replaced with a two letter code, the value depending on the specific SKU. Example values could include WW (world-wide), AP (Asia-Pacific), etc.
