Attn: OET Department

Ref: FCC Class II Permissive change for FCC ID: AL8CS50XXXX  
Original grant date: 10/10/2003  
Applicant: Plantronics, Inc.

Dear Examiner:

This is to request a Class II permissive change the cordless telephone headset system.  
Model: CS50, FCC ID: AL8CS50XXXX originally granted on 10/10/2003.

The change file under this application is:

The base unit (cordless telephone headset amplifier) of the model CS50 is equipped with an interface to the handset jack of a corded or desktop telephone.

This modification provides for an alternate model number: CS50-USB. In this model, the one interface circuit to the handset jack of a corded telephone has been replaced with a USB interface and slightly modification has been done to the antenna and PCBoard layout. Schematic remains unchanged. The information attached describes antennas changes.

If you have any questions in regards to this application, please feel free to contact:

Sincerely,
