A diagram of the back side of a device. It features a large blue rectangle representing the main body. At the top, there are two black shapes: a small circle on the left and a larger, elongated oval on the right. Centered on the blue rectangle is a white rectangle containing the text 'R4w'. Below this is an orange rectangle with a black border and a small notch at its top-right corner, containing the text 'SN LABEL' in white. Below the blue rectangle is the text 'Back_Side'.
