Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, Maryland 21046

Dear Mr. Leimer:

The Federal Aviation Administration (FAA) Office of Spectrum Policy and Management, has reviewed the Type Acceptance Certification request from Honeywell for the TPA-100A Traffic and Collision Avoidance System (TCAS), Federal Communications Commission ID number AOI9PGTPA-100A. The technical data for this equipment is consistent with the spectrum requirements for this system and the FAA has no objections to the certification of this device as requested by Honeywell.

If you have any questions or concerns, please contact Mr. Donald Nellis, Spectrum Planning and International Division, at (202) 267-9779.

Sincerely

George K. Sakai
Program Director for Spectrum
Policy and Management
