Ref: FCC Class II Permissive change for FCC ID: APIBOX310

Applicant: Harman International Industries, Inc.

Dear Examiner,

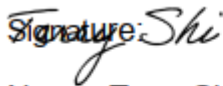

This is to request a Class II Permissive change for FCC ID: APIBOX310 originally granted on 01/20/2022 (date).

The change under this application as following:

Added GP battery for alternative use with the first resource motherboard (originally granted on 11/27/2020) and the second resource motherboard (originally granted on 01/20/2022). There is no RF parameter change to the operating frequency band, rated radiated and conducted output power of the device.

I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.

Sincerely,
