| Transducer:                             | 52 mm x 90 mm woofer, 20 mm tweeter;                         |
| Rated output power:                     | 30 W RMS for woofer, 10 W RMS for tweeter                    |
| Frequency response:                     | 60 Hz - 20 kHz                                               |
| Signal-to-noise ratio:                  | > 80 dB                                                      |
| Battery type:                           | Li-ion polymer 27 Wh (equivalent to 3.6 V / 7500 mAh)        |
| Battery charge time:                    | 4 hours (5 V / 3 A)                                          |
| Music play time:                        | up to 20 hours (dependent on volume level and audio content) |
| USB port:                               | Type C                                                       |
| USB rating:                             | 5 V / 2 A (maximum)                                          |
| Bluetooth® version:                     | 5.1                                                          |
