CAUTION
This device is to be serviced only by properly qualified service personnel. Consult the service manual for proper service procedures to assure continued compliance with the latest performance standard for microwave ovens and for precautions to be taken to avoid possible exposure to excessive microwave energy.

WARNING
This appliance is equipped with a grounded three-prong plug for your protection against possible shock hazards and should be connected to a properly grounded outlet. Disconnect power plug before servicing. Removal of the enclosure with product energized could expose servicemen to hazardous high voltage potential.

DANGER
Certain internal parts are intentionally not grounded and may present a risk of electrical shock only during servicing. Service personnel - do not contact the following parts while the appliance is energized: If provided - vent hood fan assembly, magnetron, lower magnetron only.
