

FCC ID: AQC2201-49RX
MODEL: 2201

A black and white photograph showing the internal components of a mechanical device. A circuit board is mounted vertically, featuring various electronic components including integrated circuits, resistors, and capacitors. Several white wires are connected to the board. A label is affixed to the right side of the board, providing FCC ID and model information. The device is housed in a light-colored plastic casing with visible gears and mechanical parts.
